About the research	2
Foreword	3
The survey report	4
Appendix	15

The views and opinions expressed herein are those of the individuals surveyed and do not necessarily represent the views and opinions of the Economist Intelligence Unit, KPMG International or KPMG member firms. The information contained is of a general nature and is not intended to address the circumstances of any particular entity.

Due to rounding/the exclusion of "don't know" responses, graph totals may not equal 100 percent.

KPMG's Global Infrastructure professionals provide objective advisory support to our member firms' clients through the lifecycle of complex infrastructure projects.

Our teams have extensive local and global experience advising infrastructure contractors, operators and investors, and government organizations in the following areas:

- Planning, structuring, and management of new infrastructure investments
- Procurement and financing support
- Improvement and monitoring of construction and operations
- Restructuring of distressed projects
- Investment due diligence assistance
- Infrastructure-related audit, tax, accounting, and compliance issues.

For additional information regarding our services and capabilities, please e-mail us at [infrastructure@kpmg.com](mailto:infrastructure@kpmg.com).

The information contained herein is of a general nature and is not intended to address the circumstances of any particular individual or entity. Although we endeavor to provide accurate and timely information, there can be no guarantee that such information is accurate as of the date it is received or that it will continue to be accurate in the future. No one should act on such information without appropriate professional advice after a thorough examination of the particular situation.
